PERSONAL PROJECTS

InstaStore - Instagram Photos and Videos Downloader (10/2021 - 11/2021)

- InstaStore is a python coded script to download Photos & Videos from Instagram without any API access. I have made this project to make good use of social media like Instagram by downloading some useful images or some informative videos and do share to rest of their acquaintances.
- Please view my project on my GitHub account or by this link - "<https://github.com/Rakesh9100/InstaStore>".

My Portfolio

- A unique and crystal clear, defined way to showcase our works.
